Registered students from throughout North Carolina and beyond will be immersed in a full day of interactive learning modules which will help them develop critical skills pertaining to Leadership, Personal & Professional Development, Citizenship, and seeking higher Education. The Institute is designed to motivate and inspire high school students as they prepare for the 24-25 School Year!

- 1) **Leadership** – Students will learn to excel and seek leadership positions in extracurricular activities during their ensuing school year.
- 2) **Development** – Students will be connected to *Project Alpha*, a signature program of Alpha Phi Alpha, gaining skills concerning personal responsibility and peer relationships.
- 3) **Citizenship** – Students will gain an appreciation of civic engagement and the necessity of being advocates for the democratic process in the United States of America through Alpha’s *Voteless People is a Hopeless People Program*.
- 4) **Education** – Students will learn success techniques that will make them attractive candidates for institutions of higher learning beyond high school through Alpha’s *Go to High School, Go to College Program*.
