Competition for the above district/regional awards is limited to those brothers and chapters having been certified by their Chapter President as a candidate and potential winner to represent the district for competition at the regional level. The information and materials presented for evaluation for ***District awards and achievements*** must be dated from the close of the last District convention to the opening of the current District convention. ***That means November 15, 2023 of the past year through November 11, 2024 of the current year.*** However, consideration is given to ongoing projects that show continuity. Projects concerning community activities that are designed to improve the quality of life for the general citizenry that are financed by chapters or individual brothers must be authenticated with proper documentation (canceled checks, newspaper clippings, magazine articles, etc.). Service projects to which brothers and chapters contribute their time and talents are verified in the same manner.

No materials, other than information identifying the participant, should be mailed to the Awards Committee Chairman prior to the convention. **Each display must be accompanied by a narrative/executive summary which must be typed on 8 ½" x 11" paper, fastened in a folder, signed on the front cover sheet by the respective Area Director, acknowledging that they are the certified representative, and presented to**

the Awards Committee Chairman on the first day of the convention. The typed and signed folder will become the property of the District Organization and will not be returned to the brother or chapter. Each display should have a representative, who will present an overview to judges. The chairman will provide the times for the interviews. Displays should be as self-explanatory as possible.

Since space is limited, each display consists of one 30" x 60/72" table. Please condense elaborate displays. It is strongly recommended that displays consist of bound books, unique scrapbooks, plaques, limited electronics, etc. Pictures of upright trophies will be sufficient. **Adherence to the house rules of the host hotel will be strictly followed.** This means that nothing should be suspended from ceilings or attached to walls or violates any other restrictions of the hotel. Displays must be able to stand-alone. Backboards and/or sideboards, not exceeding the length of the table, may be used. Contact the Chairman of Awards if you have questions regarding display guidelines or additional needs (i.e. electrical outlets). *If there are extensive electrical demands for your display, you may incur the cost for the additional demand.* Please do not begin setting up your display until you have checked with the committee chair or his designee.

The District of North Carolina or the ANCA Awards Committee does not accept responsibility for the safety of any of the items on display. Displays may be accompanied by electronics, but the Awards Committee will assume no responsibility for these items.
