Be **ALPHA**; Meet the Moment, Make a Difference

To the Esteemed Brothers of the Association of North Carolina Alphas,

The time has come once again for us to gather, align, and elevate our presence across the Great State of North Carolina. It is with immense pride, excitement, and anticipation that I issue this official Call to Convention for our upcoming Annual District Conference! Mark your calendars for October 22-24 in Greenville, NC. Under our powerful theme, "**Be Alpha; Meet the Moment, Make A Difference**," we are thrilled to be hosted by the outstanding Brothers of the Zeta Eta Lambda Chapter and our steadfast Brothers of Area One. They are preparing an unforgettable weekend of fellowship, leadership, and brotherhood that you will not want to miss.

CONFERENCE HIGHLIGHTS & KEY INITIATIVES

This year's convention promises to be both high-energy and deeply impactful:

- College Brother Competitions: We are placing a bold spotlight on our Collegiate Brothers, celebrating their talent, intellect, and leadership through an exciting lineup of dynamic competitions.
- Political Advocacy & Action: Positioned right ahead of the critical November 4th elections, this convention will serve as a vital rallying point to mobilize our communities, defend voting rights, and drive voter turnout.
- Educational Advocacy: Education remains at the heart of our mission. We will hold an essential, forward-looking discussion on the current state of education in North Carolina and chart actionable ways for Alphas to step up, meet the moment, and make a lasting difference.

THE YELLOW ROSE EXPERIENCE IS BACK!

We are delighted to share that The Yellow Rose Experience is returning this year! My wife, Ja'Nate, is thrilled to welcome and connect with your spouses and significant others during this action-packed, three-day event designed specifically to celebrate and engage them.
